Parking Instructions

For screening guests who wish to use our building's parking garage at 100 N. Crescent Dr. –

The entrance is on North Crescent Drive, just above Wilshire Blvd.

- Pull into the underground garage, and take a parking ticket at the kiosk, which will raise the gate,
- Please **DO NOT PUT YOUR CREDIT CARD IN THE KIOSK**. Take a ticket.
- Proceed to park on P2 or P3.
- Please do not park in any reserved parking spaces
- Once parked, take the elevator to the lobby, and follow the signs to the theater, on the Lobby Level.
- There will be someone from your host team there to check you in, in the theater lobby, next to the theater entrance.
- As you check in, in the theater lobby, please make sure that you receive a validation sticker for your parking ticket.
- Place this sticker on the back (non-printed side) of your parking ticket.
- If you left your parking ticket in your car, just get the validation sticker alone and bring it with you. The scanner must scan both the parking ticket and the validation sticker, but it doesn't matter if they are together or separate, as long as you scan both.
- To Exit, you will drive up to the exit kiosk / gate, and then present **BOTH** your parking ticket, and the validation sticker in front of the scanning device (red scanning type). This will raise the gate, so that you may exit.
- If the chain link exit gate to the street is down, as you exit, just pull your car towards the chain link gate, and it will automatically go up.

THANK-YOU & ENJOY THE SHOW!
